

DOES HELL REALLY EXIST?

"Where their worm will never die and their fire will never be quenched"

ISAIAH 66 - MARK 9

JUST HOW ACCURATE IS ISAIAH?

Isaiah 20:1 Sargon the King of Assyria

Late in his reign Sargon built a new capital city, which he called Dur-Sharrukin ('the fortress of Sargon'), known today as Khorsabad. Among the buildings was a magnificently sculptured palace, which was discovered by the French Archaeologist Paul-Emile Botta between 1842 and 1844.

There is a vase in the British Museum with his name and title engraved on it.

Isaiah 37:21 Sennacherib King of Assyria

Sennacherib's palace has also been found including a prism with his own account of history and his capital at Nineveh which is also in the Bible. This prism contains the following text which lines up exactly with the Biblical account in the book of Isaiah.

Sennacherib's prism translated: "I shut King Hezekiah up like a bird inside Jerusalem." 2 Chronicles 32:10 Thus saith Sennacherib king of Assyria, Whereon do you trust, that you abide in the siege in Jerusalem?

Isaiah 37:38 And Esarhaddon his son reigned in his stead.

Stone prism of Esarhaddon and Stone lion's head that bears a worn inscription naming the Assyrian king Esarhaddon (680 BC) and his father Sennacherib in the British Museum. There is also a Plaque of King Esarhaddon and the Queen Mother Nakija in the Louvre Museum in Paris.

The Seals of Hezekiah, Hezekiah's Tunnel and the Siloam Inscription also confirm Isaiah's historical accuracy.
