

RECOGNIZE ANY OF THESE FACES?

Do you think murderers, rapists, and child molesters should be set free? If you say NO! then you agree with THE LAW and THE LAW is what convicts the guilty because:

“Where there is no LAW there is no punishment” -ROMANS 4:15

Without the law there would be no justice and **GOD CREATED THE LAW!** - THE TEN COMMANDMENTS. He said he will judge law breakers by his law - Romans 2:12

HOW MANY OF GOD'S LAWS HAVE YOU BROKEN?

Have you ever told a lie?

Ever stolen anything?

Looked at porn or lusted?

Used God's name in vain?

SHOULD GOD LET YOU GO FREE FOR BREAKING HIS LAWS?

God is a righteous judge and because he is not corrupt he will not let the guilty go free. That is why his Son took the punishment you deserve for being a law breaker. He is the only one that paid your fine and without him God said you will stand guilty - Romans 3:19

“How can you escape the damnation of hell?”

JESUS - MATTHEW 23
